 - B. Furnish all materials and labor required to perform maintenance service.
 - C. Advise customer or His/her representative when equipment shut down is required for other than normal service.

SECTION II EXEMPTIONS, EXCLUSIONS, AND DISCLAIMERS

1. Any material and labor in addition to that specified in this agreement will be furnished only on customer authorization, and will be paid for by the customer as an extra.
2. Electrical lines, plumbing lines, and refrigeration lines are not covered. Air conditioner water valves, main water valves, heat recovery systems, water filters, solar systems, main circuit breakers, electrical circuit breaker panel, light bulbs, stoppages in main drain lines, and non-mechanical parts such as door gaskets are not covered.
3. Work necessary to gain access to covered equipment is not covered.
4. Work or repairs made necessary by enforcement of existing or future building codes is not covered.
5. Refinishing or replacement of any walls, floors, or ceilings is not covered.
6. Repairs due to rust, corrosion, electrolysis, and obsolescence are not covered.

Bernard Mechanical will not be liable for loss or damage consequential or direct, arising from the operation or failure of the apparatus or its controls, or for work done on the equipment by others. Fires, water contamination, power failure, power surge, or acts of God are not covered by this agreement. All repairs due to the above will be done on a time and materials basis or by bid quotation upon proper authorization by the customer. This agreement may be terminated without obligation upon 30 day written notice. Failure on the part of the customer to make payment when due shall relieve Bernard Mechanical of the entire obligation of this agreement. It is understood that all covered equipment is in proper operating condition at the time of signing this agreement, and that any intentional misrepresentation as to the condition or age of the equipment shall relieve Bernard Mechanical of its obligation to repair the equipment.
